The screenshot displays the FASTCourt web application interface. The top navigation bar includes 'FundView', 'Applications', 'Dashboard', 'Help', 'Contact', 'Support', and a 'Log Off Brian' link. The left sidebar contains a 'Municipal Court' section with a 'Manage' dropdown menu listing 'Citations', 'Jurors', 'Violators', and 'Violations'. Below this are 'Processes' (Citation Entry, Citation Import, Jury Pool, Magistrate Activity, Print Document, Trials), 'Case Management' (Dockets, FTAs & Warrants, OmniBase, OmniBase Clearance, Collections), 'Reports' (Conviction Report, Council Report, Citation Report, OCA Report, Quarterly Report, Safety Seat Belt Report), and 'Setup'. The main content area is titled 'Violations' and features a 'Search' and 'Export' button. A table lists violations with columns for Violation #, Violation, Last Name, First Name, Date of Violation, Warrant, Driver's License #, Balance, and Edit. The table contains 16 rows of data for violations against 'Cook, Brian'. At the bottom, there are icons for 'Cash Receipting', 'Business Licenses', 'Building Permits', and 'Municipal Court', along with a 'Close' button.
